Term 1, Week 10 – 29th March 2016

Dear Parents,

Welcome back, I hope you all had a happy and safe Easter. I would also like to welcome Mrs Bellamy back after her jaunt across the Pacific to catch up with her daughter in the U.S. We are told she had a fabulous time and we are all very happy to have her back!

Another thank you needs to go to our P&C for the great job they did in organising our Easter Raffle. A special mention to Katrina Muller for her fabulous efforts in putting together the prizes and co-ordination of same.

While on the topic of Easter Celebrations, Miss Reminis also needs a mention for her great work in organising our Easter Activities Day and Easter Hat Parade.

It was great to see so many families in our school to help us celebrate and to stay for the picnic lunch, many even stayed and got involved in the lunchtime dance session.

Soccer clinics continued today, all our classes are participating in structured coaching sessions hosted by Soccer Australia. There are plenty of smiles on lots of energetic faces.

Our school cross country will be held this Friday, and weather forecasts are for a warm day. As a result we have decided to hold the cross country first thing in the morning, starting at around 9:30am.

This will mean our regular weekly assembly will be at 2:00pm on Friday, and held in the shade of the gum trees on the school quadrangle.

Camp Killalea is on next week for the 4, 5 and 6 classes, it starts on Wednesday with students leaving school on the bus at 8:30 am. They will return from camp on Friday by 3:00 pm. A list of what each student needs to bring to camp is available on the School App. If you can't access the App please ask at the office. Just a reminder, if you still have money outstanding can you please make your payments ASAP online or at the office.

Just a quick reminder that all the features of our School App are available on the Skoolbag page of our website.

Parent Online Payment System is now fully operational with links being found on the School website and the School App.

Finally, our library is undergoing a series of changes in regards to its computer system. A new system, known as Oliver, is about to replace the old Oasis system, as a result the library will need to be closed to borrowing for a short period of time. Once operational, the new system will be much more user friendly and have great student access, including the ability for student loans of eBooks.

I hope everybody has a great week!

Regards
Gordon Parrish, Principal
