Dear Parents and Carers

We are straight back into it, here at Nowra Hill.

Today marked the first 100 days of learning for our Kindergarten students, a small milestone but one that we celebrated in style. The Kinder children took part in a fun day full of activities focusing on 100. A big thank you goes to the 5/6 class and to all the parents who came along to help us celebrate.

On the matter of Kindergarten, if you have a child who is ready to start school next year in 2017, now is the time to come and see us in the office and complete an expression of interest. Likewise, if you know any family that might be interested in enrolling their child for Kindergarten in 2017, please encourage them to get in contact with the office.

Today we were lucky enough to have a visit from the Illawarra South Eastern Performing Ensemble, it was a great performance. Our students really enjoyed watching kids not much older than themselves perform on stage.

Last week's NAIDOC celebrations were a great success; it was awesome to see all our students involved in activities that celebrated the culture and history of Aboriginal and Torres Strait Islander people. It was great to see so many parents attend our Friday assembly and BBQ. A big thank you goes to Mrs Rowe and Miss Reminis for their excellent organisation of the week.

We have a few things coming up for which you might like to save the dates. Next week Education Week will be celebrated across NSW Public
