Dear Parents/Carers,

It was another great day with Effie and Chris from Scienza Viva yesterday, students in Kinder to Year 2 were fascinated by the science involved in simple toys and I am sure mums and dads enjoyed the "Clucking Cups" the kids came home with. Our students in Years 3 – 6 did very well to solve a murder by engaging as the "Forensic Flying Squad", investigating everything for soil samples to fingerprints. We look forward to welcome Scienza Viva back next year.

This Friday is the second of our 2018 Kinder Transition days, parents are encouraged to be here to talk about Best Start, Home Reading, School Banking and Eating Healthily. See you then!

Over the past few week Mrs White has been convening a selection panel to appoint a permanent teacher here at Nowra Hill to start in 2018. I would like to thanks Miss Sally Reminis who was the teacher representative, and Mrs Kylie De Brett who was the parent representative on the panel. Thanks very much to all of the panel for what is never an easy job! I have been informed that all applications were of the highest quality and the candidates presented and performed very well, and I am pleased to inform our school community that Miss Jessica Classon has been appointed to the position! Congratulations Jess, well done, and welcome to Nowra Hill in a permanent capacity.

I would also like to let you know that we have offered temporary contracts for 2018 to Miss Jess Rigney, Miss Alyce Bassett and Miss Jaime Pressley, it is shaping into a great team! All students will soon be meeting their class teacher for 2018 in our transition session.

A Note From your P&C

Wednesday 15th November

Tallies are in and the total profit made, after costs, from the 150th Country fair and Colour run was just over an amazing \$7000!! Once again thank you to ALL who were involved.

We have a great opportunity to add to that tally and all it will cost you is a small piece of your time. The P&C are calling for volunteers for 2 events that we have the opportunity to be part of to raise money. The first is the **Nowra Rodeo** which is to take place on **December 30th 2017**. Tracey Priestley has organised for NHPS P&C to man the gates again this year. Last year this raised us \$2000. We are looking for volunteers to work in 2 hr shifts.

The other opportunity is with Elite Energy to man 4 tables at the **Huskisson Triathlon on Sunday 18th Feb 2018**. We need 16 people. This event last year raised about \$1000 for the NHPS P&C.

If you can donate an hour or two of your time to the Rodeo or are able to attend the Husky Triathlon we'd really appreciate the support. This is a great way to head into the new school year and to create a healthy budget to continue to support the school community without costing you a cent!!

Enquiries can be made to Karen Higham @ karenhigham67@gmail.com

Jo Tyce has announced that she needs to step down from canteen co Ordinator, thank you Jo for all your efforts to date it's been much appreciated. Consequently, we are asking for expressions of interest in this position to please be passed on to Courtney Usher @ cmusher88@gmail.com Courtney and Libby are happy to support anyone willing to step up to this role and will continue to run the canteen until the end of the year.

Lyndal Thomas is kindly organising the **Christmas Raffle** this year. We are still looking for donations of goods and services for our raffle. If you can be of assistance in anyway please contact **Lyndal @ lyndalthomas@hotmail.com** or donations can be left, clearly labelled please, in the school office.

With thanks for your continued support of the Nowra Hill Public School P&C

Nicky Lovell (Secretary)
