Dear Parents/Caregivers

For the final newsletter of 2018 I would like to once again say thank you to the staff, students and community of Nowra Hill Public School who have welcomed me into their wonderful school community. Highlights of my time here have included Presentation Night at the base, yesterday's K-2 Christmas concert, the Year 6 farewell at Nowra Pool and the many opportunities to see the school's fantastic teachers engaging their students in quality learning.

On a different note, I have been made aware that several families are considering out of area placement for their children as a result of some uncertainty about the school.

I understand that parents want the very best educational provision for their children and that is why I am writing this message to you today.

Nowra Hill Public School is a community focused school that seeks to challenge and nurture its students.

The disruption to the schools leadership is extremely unfortunate but I can reassure you that each and every child is receiving exactly the same high quality classroom practice as you have come to expect.

I would encourage you to contact me about any concerns. At the end of a busy year I am sure that the staff are very proud of all the great things that Nowra Hill Public School has to offer and will continue to offer into the future.

Yours Sincerely,

Mr Matthew Ferrie

Relieving Principal
