Dear Parents/Carers,

Parents, please support our P&C and the students of our school by booking a table at the **TRIVIA NIGHT** set down for **this** Saturday night! Tickets can be purchased at the office! Thank you to Mrs Courtney Usher for organizing the night, there are so many awesome prizes to be won!

**Help is needed urgently**, can I ask for any parent or family member who might be able to help out in the organization of or on the day of our **150<sup>th</sup> Fete on Saturday 14<sup>th</sup> October** to contact me at school as soon as possible? Please watch the NHPS App for a sign up form soon!

We have had a great start to our Book Week celebrations this week, with all students involved in Doing Things Together rotations yesterday afternoon. Teachers had some really engaging activities set up in their rooms based around a text from the CBCA Shortlisted books that we purchased for our library. It was great to see so many students engaged in their learning and obviously enjoying themselves.

Our Book Fair also got off to a great start with over \$1400 in sales over the first two days, a big thank you goes to Sam and Tara Dias from Modern Health Care Professionals for a generous donation of \$500 worth of books to our school. I would also like to acknowledge and thank other families who have donated books to our library; we have had a total of over 43 books donated so far!

Scienza Viva returns next week, please make you have made your payment of \$8.00 per student for what is always a great session!

Going out with the Bulletin today is a statement of account, this lets you know what monies are outstanding, if payments can be finalized as soon as possible, it would be greatly appreciated. If families are experiencing difficulty in making payments please contact the office. If payments have been made in the past 3 days, please ignore that portion of the statement.

Next week our Year 3 and Year 5 students will be taking part in the NAPLAN Online readiness testing, this has no impact on students, it is purely designed to test the capability of our ICT equipment and network to ensure it is up to standard and set for NAPLAN to go online next year. Also coming home this week, are the results of this year's NAPLAN testing for all students in Years 3 and 5. If you have any questions regarding this information, please contact me at school!

**Parents please note, students should not be dropped off to school prior to 8:30 am. This is when teachers are on duty and supervision is in place.**

**Please also ensure that you are not parking in the staff carpark.**

Please don't forget to come into school tomorrow and join us for our Book Character Parade, it starts at 9:15am and all parents and family are most welcome to attend. Parents are also reminded that they are invited in to school on Friday to attend our Education Week assembly, and then to stay for Open Classrooms and a community BBQ at recess time. We are looking forward to seeing you then!

Regards

Mr Gordon Parrish

Principal
