Dear Parents / Carers,

What I have loved about the past week as I have visited classrooms is the enthusiasm in and around the school. There have been classes cooking, singing, dancing, constructing, creating and more importantly learning. Students are really engaged in their learning, which is fabulous to see.

Last Wednesday morning, we had an unusual amount of rain. In this time, we had to section off areas of the steps leading to the office and the Year 5/6 room. It is important that we all follow the procedures put in place during inclement weather. This will ensure Nowra Hill is a safe place to be.

We finalised our Kindergarten Orientation last Friday. The new Kindergarten students for 2019 were involved with many school activities. The Year 5 students who will be the support buddies for the 2019 Kinder students did a fabulous job helping and encouraging them throughout the orientation. I would like to say Thank You to Mrs Jessica Dowse and Mrs Chloe Bell for coordinating the program for 2018.

On Friday the whole school listened to our Year 5 students give their leadership speeches. These students were well prepared and they did an amazing job delivering their reasons why they would make a great school leader. I wish all the students luck. It is great to see the depth of mature sensible students we have at Nowra Hill entering Year 6 next year. There will be many leadership opportunities for the entire Year 5 cohort next year but I will be anxiously awaiting the announcement of school captains and vice captains on presentation night. Thank you Ms Jessica Classon for helping prepare all the students for their leadership speeches.

Weekly Events

Tuesdays

Friday, 14th December

Christmas Assembly

Tuesday, 18th December

Green Rewards Day

Wednesday, 19th December

Yr 6 Farewell Assembly

Last Day for Students

Even though we are all involved in end of year activities and we are getting ready for holidays, our staff are currently planning for next year. In order to plan for classes, it is very important that we know which families won't be at Nowra Hill Public School at the start of 2019 or whether you are aware of any families moving into the area and wish to enrol. If you are leaving, or think you are leaving before the start of the new school year in 2019, please let the front office know as soon as possible if you have not done so already.

Next week will be a busy week for all parents and students at Nowra Hill Public School. We have our school presentation at Nowra High School on 13th December starting at 6.00pm. We are looking forward to seeing everyone there. The Year 6 students will be heading to the Roxy Cinema on Tuesday and we also have a Christmas concert on Friday, 14th December at our Assembly. All classes are busy learning a song to perform for this.
