Dear Parents / Carers

### Road & Parking Changes

Last Thursday, representatives from Defence, Premier Bus Company and Shoalhaven Council were out the front of the school to check parking, congestion and buses. There will be changes made over the next few weeks and into the school holidays with extra bollards and the Bedford Road closure. All cars will need to park in the marked off area across from the school. I believe that parents will also no longer be able to park on the small grassed area along the private driveway. Please park in the carpark allocated for our school and walk across when picking up or dropping off your children each day

### Bus Timetable

Last Thursday, I received a call from Premier Bus Company. They have asked me to remind parents that the buses are now running to schedule. Please check their website for an updated timetable to ensure your child is at the morning bus stop with plenty of time before the bus arrives.

### Fast and Frequent

Last week's value focus was 'being respectful at assemblies'. Well done to Mick 6D, Summer KR, Heidi 3/4B, Havana KR, Kenzie 1R, Isobel 1R, Marley 2/3V and Jaxson 3/4B who were lucky enough to be drawn out of the bucket this week to receive an ice-block. Again all students proudly knew why they had received their ticket. Our focus this week is one of responsibility and 'wearing our uniform with pride'. Well done to all those students who are working hard to reflect our school values.

## **Kinder Orientation**

There will be two more orientation sessions for next year's Kindergarten students this week. We look forward to see our special little people on Wednesday and Friday at 9:30am. Parents please remember to bring back your Best Start time preference sheet.

## **Presentation Day**

A reminder that our Presentation Assembly will be held on Friday 13th December at 1:30pm. Everyone is welcome to attend, however parents of children receiving awards will receive a phone call from staff by the end of next week to inform them if their child is receiving an award. Like last year, 5 students from each class will be receiving awards to recognise their efforts throughout the year. There is also a presentation of some special awards. If you do receive a call from staff please keep it a secret as we would like students to be surprised on the day. Thank you.

## **Teachers Are Learners Too**

This week Miss Reminis, Mrs Domazar and myself will be attending sessions with James Nottingham regarding formative assessment. This is our next progression in our Visible Learning journey. All teachers will complete their behaviour training on Thursday. We have appreciated Mrs Megan Waugh coming in to support and train staff through this learning.
