Dear Parents / Carers

Wow what a crazy year! With everything that has happened this year I would like to extend my sincerest thank you to all of our families. Things would change quite quickly and not only have staff had to adapt and try to make things as easy as possible for you and your children but you have all also 'gone with the flow' and supported our decisions. Thank you for working with us during this unpredictable year. Despite everything our students still made gains academically and socially and achieved individual learning goals. We were able to celebrate some of these achievements last Friday at our Presentation Assembly. Congratulations to all award winners! Although disappointing that parents were not able to see their children receive awards, photos were taken and sent through Seesaw and Facebook. I am hoping that things return to some sort of normality in 2021 and parents can celebrate lots of things with us on site.

Tomorrow is the last day for our Year 6 students at Primary School. Another huge achievement as they end 7 years of 'big school'. Even though some have told me they are a little nervous moving on to High School I know they will continue to work hard and 'Strive to Excel'. They need to be proud of themselves and embrace new opportunities. Thank you to our Year 6 parents as your children would not have achieved great things without your help and support. Even when they leave high school they will always need their parents help and support, I still do 😊

There are also other families who will be leaving us at the end of the year. I wish the children well at their new schools and am sure I will hear about their achievements to come. It has been a pleasure getting to know and working with you and your children.
