Dear Parents and Caregivers,

### Weather

With the weather warming up being the first day of Spring, please ensure all children have their name on their jacket, jumper and hats. It is still quite chilly in the morning but as the day progresses students often take their jumpers off and forget to put them in bags. We want to ensure that all lost property goes home to the right owner.

Please ensure that your child has their drink bottle each day as the bubblers are still closed because of COVID. Children can fill drink bottles from the taps in their classrooms.

### P&C Meeting

We will have our second P&C meeting this term via Zoom. The meeting will be Tuesday 8<sup>th</sup> September at 6:00pm. Please ensure you speak/email Tracy Reece by Monday next week, to ensure you get your email invite to the meeting.

### Value Focus

This week's value focus is moving safely around the classroom. Teachers will speak to students regarding this value. You can help by speaking to your children about how to move safely while inside at home. Well done to those children who had their names in the draw last Friday. You are all role models for others.

Last week's ice block winners were Kaylee 1/2B, Bryce 3/4D, Josie 2/3C, Peyton 1/2D, Kodi KR, Armani 3/4D, Braxton 1/2B, Torah KR, Landon 5/6V and Lily 5/6V.

### Teachers Are Learners Too

Miss Rudd, Miss Reminis and Mrs Donovan will be working through some extra training in L3 this week to strengthen strategies for their classrooms.

## MORE INFORMATION

### STAGE 3 INTERRELATE PROGRAM

Finally, yesterday the planets aligned and Stage 3 were able to participate in the 'Moving Into the Teen Years' Program. Our educator from Interrelate, Joe, is a former primary school teacher and travelled from Bondi to work with our students. I am happy to report that after some initial giggles and embarrassed looks with some of the content in the morning session, the whole class were very mature and asked some very probing questions throughout the day.

The students were sent home with the booklet they worked through and I encourage parents to ask their child what they thought of the program, the content and do they feel more informed in the area of changes during puberty and human reproduction. Overall, it was a very worthwhile and informative program.

### NOWRA HIGH YEAR 7, 2021 TRANSITION TALK

We have rescheduled the Nowra High Year 7 Transition talk for **this Wednesday, 2nd September** to be held at Nowra Hill Public School in the afternoon.

### THANK YOU

We would like to thank Mrs Radburn and Mrs Oke for helping cover all the home readers and new library books. Your help is greatly appreciated.

Happy Birthday and Best Wishes to **Kayla Thormann and Cayden Hooker** who celebrate their birthday this week.
