Dear Parents and Caregivers,

Welcome to the final week of the school year, Week 11 and THANK YOU all for an amazing year. I can't believe this is the last newsletter of 2021! Staff and students are beginning to take work down and it will be sent home over the next two days if not already sent home. While we are busy finalising our classroom pack up and making beautiful Christmas craft - the high expectation of behaviour is still at the forefront of everything we undertake.

Thursday is the last day for students and it is our Year 6 Farewell Assembly (one parent per family is invited to attend to present their child with their graduation certificate).

Staff will be participating in their mandatory Anaphylaxis and CPR training on Friday at Greenwell Point Public School. On January 28th staff will be attending Culburra Public School for Professional Learning with other schools in the Shoalhaven. Staff will be at school for their second day of Professional Learning on the 31st of January. Students from Year 1 to Year 6 start school on Tuesday, 1st February.

If your child is in Years Kindergarten to Year 5 and he/she will not be returning to Nowra Hill in 2022, could you please contact the school office on 44215671 as soon as possible.

I would like to wish everyone a happy and safe holiday. 2021 has certainly presented a number of struggles this year and I want to thank all of our families for your incredible support. I think we have all shown great resilience and developed a little more strength through our journeys this year.

Presentation Assembly

We are in the process of sending out recordings of all of our presentation assembly recipients on Seesaw to the parents of those who received awards. Photos are also currently being uploaded to Facebook for everyone to see. I was very disappointed that we could not have families join us for our presentation assembly.

Congratulations to everyone who received awards, you should be very proud of your achievements.

Regards
Kim Domazar
Relieving Principal
