Weekly Events

Dear Parents and Carers,

We are almost half way through a very hectic term. I am glad to have the students back in some form of normal. They had a wonderful first week with Mrs Domazar and teachers organising a wellbeing week with lots of activities for their return. I think the most liked day was Friday with a sausage sizzle being enjoyed by all. We will continue to have an activity each week for everyone to enjoy. This Friday Mrs Domazar has planned for music during lunch play. I'm sure there may be a few staff requests.

Just a reminder that as we return it is important that we follow all Department of Education and Health guidelines regarding COVID safe procedures. There have been local schools and preschools that have been closed recently due to COVID cases on their site. Please speak to the school if any of your children have been identified as casual contacts because of siblings. We wish to work with you and our school community to be able to minimise risks to others. We also ask that if your child is sick that they stay home until symptom free and seek doctors advice and a COVID test. Upon receiving your results please email a copy to the school. If your child is going to be away for a period of time can you please inform the school immediately.

We will be having weekly Friday assemblies again starting from this week. If weather permits we may be able to socially distance classes under the COLA or have zoom assemblies in the classroom. We look forward to our students receiving weekly awards for following our school values and setting examples for others.

This weeks school value is responsibility in the classroom.
