Dear Parents and Carers,

Welcome to Week 9 Term 2. I hope everyone had an enjoyable long weekend. I myself spent the weekend reading student reports ensuring they are ready for distribution at the end of the term.

Congratulations to our Regional Cross Country representatives. We had some outstanding results. Congratulations to Madeline who has qualified for the State Championships. I look forward to hearing of your wonderful effort.

As I mentioned previously, it is getting colder and students will be needing their school jumpers for extra warmth. I have noticed some students wearing clothing that is not our regular school colours. Please be reminded to wear your school jumper or jacket. I also ask that students do not wear scarves to school. We have had incidents of students getting choked accidentally during play time, especially when playing tips. This is for safety purposes and I appreciate your co-operation.

Nowra Hill has Talent

This Friday our Year 6 students have organised a talent quest for any student wanting to showcase their talent. Myself and the staff are looking forward to watching our students get up on stage and have a go. I hear there are quite a few talented students preparing some amazing acts for us to enjoy. Good luck to all those students who have put their names down to perform.

Attendance Matters

Did you know

- 1 day off a fortnight equates to 4 weeks of missed learning a year.
- 1 day off a week equates to 8 weeks of missed learning, almost a whole term.

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease (Due to the current health regulations we encourage all students to seek medical care and advice upon returning to school).
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday exceptional or urgent family circumstance (e.g. attending a funeral)

Reports

Student reports will go home Friday of next week. If you have concerns please contact the school the first week back and make an appointment with your child's teacher.

Value Focus

This week our value focus is standing up for others. Teachers will be working with and looking out for students displaying this value.
