Last Day of Term 3

Tuesday, 5th October

First Day of Term 4

Dear Parents and Carers,

Last Thursday, the Premier of NSW Gladys Berejiklian announced that our Local Government Area (LGA) of Shoalhaven will remain in lockdown. For us at Nowra Hill Public School, this means for Week 10 – Term 3, we continue to operate at the same Level 4, restrictions that we have been since the commencement of lockdown in Week 5. All our staff are extremely disappointed that students will not be returning to school for Term 3, but we need to ensure we support all COVID safe requirements that are set by NSW Health.

We need to:

- Obey all instructions regarding stay-at home orders.
- Don't visit with others or allow anyone to visit you during this time.
- Stay safe by staying at your own home.

At this stage we can not tell you what will happen at the beginning of Term 4. We will continue to keep you updated as new information comes to light as has been our practise throughout the pandemic. Thank you to everyone for your ongoing understanding and support during these difficult times. Please don't hesitate to contact the school if you have any questions or concerns.

Essential Workers

Thank you to those essential workers who have been providing us with their weekly rosters so we know which day you are attending work and the days your child needs to attend school. I know there are many juggling times to ensure their child spends most time at home. Many of you have expressed how important it is for you to put the health and safety of your child first. If we continue back in Term 4 with Home Learning, I'll endeavour to reach out before the end of the holidays to allow you to continue to keep us updated with the days needed for attendance.

Zoom

Mrs Rossouw (Yr3), Mrs Coyle (Yr4/5) and Mrs Cork (Yr5/6) have been scheduling online zoom learning sessions. Everyone is doing very well and looking forward to continuing to build on their newly found skill. If you are experiencing difficulty, please don't worry. Contact your teacher to get some help before the next scheduled session.

Farewell Mrs Cork

I would like to take the opportunity to farewell and thank Mrs Cork for all her hard work. Mrs Cork will be leaving us to take up a position at Illaroo Road Public School. If you get the chance please give her a very big Nowra Hill Thank You. Maybe you could send her a message through your teacher on seesaw or google classroom. Maybe you could make a card for her and drop it in to school. I'm sure she would love to hear from many students as I know she loved her time with all students during her RFF role and as a classroom teacher last year and this year.

Holidays

This Friday marks the end of Term 3! Please stay home, stay safe and have as much fun as you can despite the obvious limitations. If any student cooks something, builds anything, partakes in acts of kindness, please take a photo and send it in via the school email. We love to know that our school community is still active and remaining positive over the two-week break. On behalf of all the staff at this amazing little school – we wish everyone a restful respite from the remote learning and just enjoy your family time.

Stay safe and stay well

NHPS Staff

Happy birthday to the following students who celebrate their birthday in the school holidays:

Heidi, Jett, Noah, Hugh, Killarney, and Gabby

Spring into action these holidays
