Dear Parents and Caregivers,

New Teacher for Class 5/6V

I am pleased to announce that **Ms Debbie Holmes** has accepted an offer of employment after a comprehensive state-wide search. Ms Holmes brings many skills to our school and has extensive experience on stage 3. **She will begin teaching 5/6V on Monday 25 July.** She will also be visiting this Wednesday afternoon to plan with Mrs Carter and introduce herself to her new class and staff.

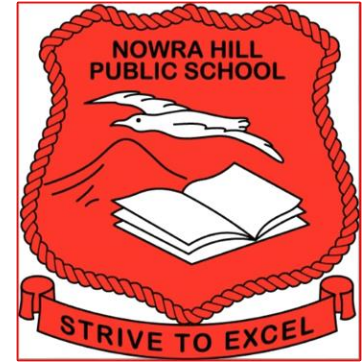

I look forward to Ms Holmes joining our community and settling in well with our 5/6V class.

Minimal Supervision this Thursday 30 June due to Industrial Action

On 21 June, the NSW Teachers Federation and the Independent Education Union of Australia NSW/ACT branch voted to unanimously call for strike action on Thursday 30 June. This was an historical first-time meeting and action between these 2 unions who represent the NSW Public schools and NSW Catholic schools respectively.

In response to this request, teaching staff of Nowra Hill Public School have elected to participate in this action.

While our school will still be open on Thursday 30 June, we will only be providing minimal supervision of students on this date as a result of the strike. Minimal supervision means that onsite teaching and learning continues however temporary class structures, and a modified timetable are required to meet safety and supervision requirements.

School Holidays

We wish all students a safe, happy and relaxing holiday. It is a time for students to re-connect with their families and recharge their energy. Many students will welcome the break. I hope the holidays are kind to mums, dads and carers as you all achieve a balance between work and family commitments. There is a student free staff development day on the first day of term, which means that students will re-start school on the Tuesday.
