Dear Parents and Carers,

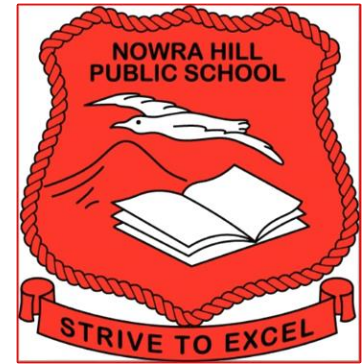

Thank you to all those families who came to celebrate Book Week and Education Week last Friday. It was a fantastic day and families made a huge effort with costumes. That was the first time I had heard the choral speaking and I can see why our school was so successful. Even new students made an effort to learn their class performance and did a wonderful job. Thank you to Mrs Bennett for all the organisation with the parade and the Book Fair and a big thanks to Mr Freshwater for cooking the BBQ and Virel who helped to serve.

Best of luck to the children competing at the Regional Athletics carnival on Friday. I know you will all do your personal best and represent our school with pride. I am looking forward to hearing of your successes.

The Assistant Principal Curriculum and Instruction interviews have been finalised and I will inform the community who the successful candidate is as soon as the appeal process is finished. The Assistant Principal position has also been submitted. Rebecca Daley held the substantive position, however she will not be returning to the school so we are able to now fill the position permanently. Applications close next week and again when the process is finalised I will be able to inform the community who our new Assistant Principal will be.

A reminder that the Father's Day Stall is on Friday. Please look further on in the newsletter for more information.

The Life Education Van will be attending our school next week. All classes will be participating in Personal Development and Health lessons with Happy Harold. The program will have follow up lessons with teachers back in the classroom.

4/5C: Eli and Matilda

PRINCIPAL'S AWARD

KR: Violet
1/2R: Zoe
1/2B: Hudson
3/4C: Daniel
4/5C: Kayleigh
5/6V: Cooper

3/4C Butter Making

Butter, butter, butter! What a big clutter of butter!

I was watching from afar.

They were shaking, shaking on the grass.

Butter cream, butter cream, what a delight!

Their shaking, shaking and I got a fright!

Paige S

Yesterday was a normal day but, as I walked into the classroom, I saw cream! There was a kind of baking I thought but then, after a little while, I started to catch on. We were making BUTTER! I knew because I have made butter before. Plus, we read an article about butter so I just knew we were going to do it! We went outside and made butter by shaking the cream. If first turned to shipped cream then, in a few minutes, it was butter!

Harvey B

We made butter by agitating cream. Then, in the middle of the agitation, the cream turned into whipped cream. It took a couple of minutes to turn it into butter.

Daniel B-R

Hi. If you don't know how to make butter and all you have is cream with fat, then I can help you!

Step 1. Put in container.

Step 2. Shake until you have butter - warning: if you don't screw the lid on properly, it will explode!

Step 3. Eat on bread.

Step 4. Enjoy!
