Dear Parents and Carers,

With only a few weeks to go, our school is extremely busy. The students have only one more gymnastics session which is next Monday. The children have really enjoyed the opportunity to learn new skills and look forward to their class' session.

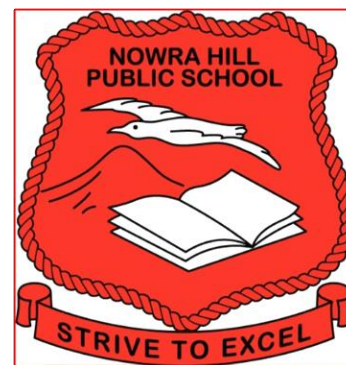

Today Year 6 students have gone to Nowra High School or Shoalhaven High School for their Year 7 orientation if they are attending that school. Although some are a little hesitant, I know they will have a great day and are looking forward to next year.

On Wednesday Year 6 students will be travelling to the University of Wollongong, Shoalhaven campus for an information session and a day of activities. This opportunity allows students to familiarise themselves with university settings and find out about various career pathways.

Our last scripture lesson for the year is this Thursday and I would like to thank Mrs Waddell, Mrs Perks and Mrs Skinner for their commitment to volunteering each week to provide scripture lessons for our students.

Our P&C disco is this Thursday evening from 5:30 to 7:15pm. Our students and teachers are very much looking forward to the evening. I would like to take this opportunity to thank our P&C and their extra volunteers for all their hard work in providing great events and their fundraising efforts to support our students.

This year our P&C have run Easter Raffles, a pie drive, muffin days, the up and coming disco and a Christmas raffle. Their support has provided seating for students, three printers for

classrooms, they have covered buses to reduce cost for excursions, contributed to the gymnastics program, provided classroom supplies, run Mother's Day and Father's Day stalls and have committed funds to support next year's fruit and veg garden. Without their support our students would not have had the opportunities they have had this year. A huge thank you for all your support.

Today is Miss Bassett's last day. We wish her all the best with her new little one and I will let the community know when she has her baby. We thank Miss Bassett for all her hard work and dedication and don't doubt we will see her back sometime next year. Mrs Carter will be replacing Miss Bassett in 5/6W for the last few weeks.

On Tuesday the 5th December, Year 6 will be at Jamberoo for their end of year activity. Miss Jess and Mrs Martin will also be attending the excursion. Our students will be travelling by bus with Terara Public School.

Wednesday the 6th December is our Grandparents day and end of year concert. All notes are due back this Friday regarding catering. Please return notes to the front office, so we can cater for your family.

A reminder that this is the last week for home reading. Please find all home readers and any library books and return them to the school by Friday please. This will help Mrs Bennett in the library with her yearly stocktake.

In Week 10, each class will have their party days. Class teachers will inform parents about what will be happening in each class.
