Dear Families and Carers

This being our last week of school for the term, I would like to say thank you to all families for their support over the past 10 weeks. We have had a busy term and wouldn't have been able to provide all the opportunities we have without the support from families. This week will see some wild weather and I hope everyone is safe in their travels during this time.

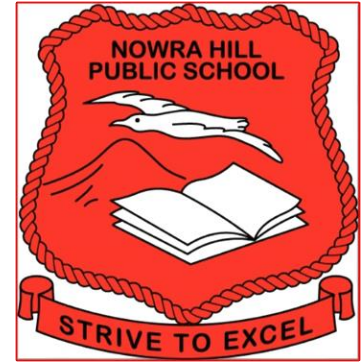

The holidays will start Friday afternoon and I wish everyone a safe holiday hoping that you get time to spend with family and friends. Let's all hope that the weather improves over the next two weeks.

This is the last week for Mr Freshwater and Miss Reminis. We wish them all the best for the next 12 months and look forward to seeing them back next year. Mrs Glenday will be replacing Miss Reminis and Mr Walker will be replacing Mr Freshwater. I know our little community will make them feel welcome.

If you know of any families in the area who would like to apply for their little person to start Kindergarten in 2026 can you please ask them to contact the office as soon as possible. Our out of area panel will meet mid-August and no out of area applications will be accepted after this date.

A huge thank you to our P&C who ran our disco last Thursday night. The children had an awesome night. Thank you for your support in providing great opportunities for our children.

School reports will be going home via Sentral this week for Semester 1.

Today we had Gadhungal Marring come to visit and provide cultural experiences as part of our NAIDOC celebrations. The children participated in dance, language, weaving and boomerang painting activities and ended the day with a corroboree and a smoking ceremony. Although the weather was far from good the children enjoyed the day, including their sausage sizzle lunch. Our students will participate in an Aboriginal story read a round on Friday. Remember Friday is NAIDOC Mufti and children are asked to wear appropriate clothing of the colours of the Aboriginal or Torres Strait Islander flags. (They will need their school hat, covered shoes and no hoodies).

Have a safe holiday and we'll see students back on Tuesday 22nd July for a great Term 3.
